

Holly Gagnon, President, Gold Strike Casino Resort • Bentley '85, BS Accountancy

Risk taker. Creative spirit. President. Bentley business graduate.

After graduating from Bentley with a degree in accountancy, Holly Gagnon followed a traditional path into finance and business administration. Then, in the early '90s, she took the gamble that would eventually lead her to Gold Strike Casino Resort. Today, as president of MGM MIRAGE's newest acquisition, Holly is busy using her creativity and her Bentley business skills to transform Gold Strike Casino Resort into one of the South's premier resorts.

Business in a Whole New Light

Thanks to cutting-edge technology, innovative programs and a renowned faculty, Bentley is helping students like Holly Gagnon break new ground in many fields of business. Learn more about our undergraduate and graduate programs in business education at www.bentley.edu today.
