

Peter Chouinard, President, Wente Vineyards, Bentley '93, MS Finance

## President. Change agent. Steward. Bentley business graduate.

As a graduate student at Bentley, Peter Chouinard gained the advanced business and technical skills he needed to manage mergers and acquisitions, restructurings and other complex organizational changes. Recently, he's been managing change of another sort. Serving as the first non-family president of Wente Vineyards, Peter is helping this 120-year-old winery transition from one generation of leadership to the next. Today, he's nurturing a California winemaking legacy.

### Business in a Whole New Light

Thanks to cutting-edge technology, innovative programs and a renowned faculty, Bentley is helping graduates like Peter Chouinard break new ground in many fields of business. To learn more about our graduate and undergraduate business programs, we invite you to contact Bentley today.
